Specification

The Keekin' Glass range offers a new and unique Mirror and Artwork product which will allow any plasma or LCD to disappear when switched off. Its bespoke design is available for three standard screen sizes (32", 42" & 50") with a choice of frames. You now only require a 4 inch depth (100 mm) to mount the unit in-wall. Also it is the only Mirror and Picture product on the market to have the 'Natural-Vent' system that means no internal wall ventilation routes are required.

Products:-

- Keekin' Glass – Flush mounted TV Mirror Screen
- Keekin' Glass/B – Flush mounted TV Mirror Screen + Black out blind.
- Keekin' Art – Flush mounted TV Artwork Screen.
- Keekin' Kling-on – Retro fit Clip-on TV Mirror Screen.
